THE THIRD YEAR

The Bloomfield Record

It will be the aim of the Publisher to make The Record for the current year MORE VALUABLE THAN BYER to the people of this community as

A FIRST CLASS

LOCAL AND FAMILY NEWSPAPER

IN THE INTEREST OF ALL.

EVERY FAMILY IN BLOOMFELD should take The Record. It publishes School Matters, Church Affairs,

Real Estate Transactions. Social Events of Public Interest

We have unequaled facilities for gathering local intelligence. Everything of importance appears each week in The Record, thus forming a Cox-PLETE, RELIABLE and INTERESTING

History of the Village

and its vicinity, well worthy of preservation. Besides local features, it is hoped to make the Cor respondence, Original and Selected Articles of Literature, etc., racy and attractive as well as hightoned and thoroughly moral in tendency. 8. M. HULIN, Publisher.

BLOOMFIELD, N. J. FRIDAY JULY 30, 1875.

The Puzzled Census-Taker. 'Got any boys?" the Marshal said To a lady from over the Rhine ; And the lady shook her flaxen head, And civilly answered, "Nine !" "Got any girls?" the Marshal said To the lady from over the Rhine ;

And again the lady shook her head And civilly answered, "Nine!" "Husband of course?" the Marshal said To the lady from over the Rhine ;

And again she shook her flaxen head And civilly answered, "Nine!" "The deuce you have !" the Marshal said To the lady from over the Rhine And again she shook her flaxen head

And civilly answered, "Nine !" 'Now what do you mean by shaking your head And always answering 'Nine?' "Ich kann nicht English!" civilly said The lady from over the Rhine.

Josiah Allen's Wife on the "Prodigal

and this is one of them. They will go and kill the fatted calf with their own hands to feed the male prodigal that has been livin' on husks. But let the woman that has been boarding on a small bundle of husks ask for a little mite of this

veal critter, and will she get it? No. she won't get so much as one of the huffs. She will be told to keep on eatin' her rescuep from the water after they have husks, and after she has gone through become insensible. They are as folwith them to die, for after a woman has lows: once eathusks she can't never eat no more vittals. And if she asks meekly rections on the spot. why her stomach is so different from the | 2.
